

MACDONALD'S
TRANSPORT / WAREHOUSING
SINCE 1933

MacDonald's Transport and Warehousing, a well-established fast-growing group of companies, with an equal opportunity policy, has the following vacancy in Cape Town depot.

Operator: Reach Stacker

Requirements:

The successful candidate must have good reading and writing skills. The successful candidate must have good communication skills and must be able to do maths (basic plus and minus). The successful candidate must have at least 2 years Reach stacker experience and must be a safe and effective driver.

Key Accountabilities:

- Completion of the daily machine inspection report with accurate and honest information,
- First obtain accurate info on which cargo is to be handled before lifting,
- Understand the customer requirements/SOP with regards to handling,
- Report all defects/damages of cargo, equipment, containers, and trucks to the Head of Department
- Ensure the area you are driving on is free from diesel, oil and any other spillage which can cause an unsafe condition,
- Never drive recklessly (fast and dangerously) as it is against our company rules and regulations.
